File No. A. 2655/CB of 1949.

Serial No.

1) Under existing orders, the term of appointment of Sri J.N. Nanda, as Adviser for Railways and Ex-Officio Secretary to Government, Railway Department, is due to expire on the 7th June 1950. He is paid an honorarium of Rs.25,000 (Rupees Twenty Five Thousand only) per annum and is also given free quarters and the use of a Government Car during his stay in the State. He is also allowed Travelling Allowance as per M.S.R.

2) With the impending integration of the Mysore State Railway with the Union Railway, the necessity for continuing this appointment seems to require urgent examination. His appointment would appear to have become superfluous. This expert adviser was appointed primarily for implementing important post-war Schemes that had been planned. As the Government of India will be responsible for these Schemes in a very short interval of time from now, and there is probably very little scope for laying down policies or for considering schemes to be followed in future between now and April next, it is for earnest consideration whether it is at all necessary to continue the services of Sri J.N. Nanda up to the end of the term already sanctioned, and whether it may not be desirable terminate it earlier. It is seen, however, from the terms of appointment of Sri J.N. Nanda that there is no clause in them providing for termination of the services of the Officer after giving due notice. But the constitutional changes which have since become known were not foreseen at the time Sri Nanda's services were extended by one more year from 7th June 1949. In the circumstances, Sri Nanda may perhaps be sounded in the matter, and if there is no serious objection in the way of terminating his services earlier say, from 1st January 1950, this may be done, if approved, in the interests of economy.

3) This would be Council matter.

4) Submitted, as instructed, for consideration and orders.

1) There is no provision in the terms of ~~the~~ agreement (vide flag 'D') for the termination of the services of Sri J.Nanda. He was appointed originally for a period of one year from 26th January 1948 and his services were extended again by one year from 7th June 1949 on the ~~existing~~ same terms.

2) It may be stated that the continuance of the contract has become impossible in view of the new Constitution of India and the consequent taking over of Railway Administration by the Union Government. But it will be seen that the application of the Constitution of India is a voluntary act agreed to by His Highness the Maharaja under the Proclamation recently issued, and not an act forced on the State or an unforseen circumstances so as to entail ~~entire impossibility~~ cancellation of the contract on account of impossibility of performance.

3) In the peculiar circumstances Sri Nanda may perhaps be addressed whether he would agree to a ~~rescission~~ ? the contract and if he does not agree the Government of India may be appraised of the

the special circumstances of his appointment and that we have no need for his services ~~the need for termination~~ in view of the altered circumstances. Since the purpose for which Sri Nanda was appointed viz., effecting postwar changes like electrification etc., may continue to exist or even otherwise his services may also be required by the Government of India for implementing such or other schemes, the Government of India may perhaps be requested to utilise his services at least till the expiration of the period of contract.

10) While agreeing with the above note I wish to add that the Mysore Railways are to be taken by the Govt of India as a going concern. The assets and liabilities of our Railways have to be transferred to the Govt of India. COUNCIL NOTE.

SUBJECT: Proposal to terminate the services of Sri J.N. Nanda, Advisor for Railways to Government and Ex-pfficio Secretary to Government, Railway Department.

Sri J.N. Nanda was appointed as Adviser for Railways to Government and Ex-officio Secretary to Government, Railway Department in January 1948 on the following terms:-

1. Term of appointment - one year from 26.1.1948;
2. An honorarium of Rs.25,000/- free of Income-tax for a period of one year, to be paid in monthly or such other instalments as Sri Nanda may desire;
3. Sri Nanda is also permitted to continue membership of the Railway Enquiry Committee for a period between 3 and 4 months during the year;
4. He will be given free quarters and the use of a Govt. car during his stay in the State; and
5. Travelling allowance and other matters are according to the general provisions of the Mysore Service Regulations.

His term of appointment having expired on 26.1.1949, his services were extended on the same terms by one year from 7th June 1949. The present term of his appointment will expire on 6th June 1950.

With the impending integration of the Mysore State Railway with the Union Railway, this appointment has become superflous. This expert adviser was appointed primarily for implementing important post-war schemes that had been planned. As the Government of India will be responsible for these schemes in a very short interval of time from now, and there is probably very little scope for laying down policies or for considering schemes to be followed in future between now and April next, it is not necessary to continue the services of Sri J.N. Nanda up to the end of the term already sanctioned; and it is desirable to terminate it earlier. It is seen, however, from the terms of appointment of Sri J. N. Nanda that there is no clause in them providing for termination of the services of the officer after giving due notice. But the constitutional changes which have since become known were not foreseen at the time Sri Nanda's services were extended by one more year from 7th June 1949.

The Financial Secretary has noted on the file as follows:-

> "From the point of view of economy, the sooner ~~this~~ this appointment is abolished, the better it will be financially. Along with this post should also go the ministerial and peon's posts sanctioned therefor and grant for T.A. and contingencies and other easements if any, associated with the post."

When the file was submitted to the Minister for Revenue and Excise, he minuted as under:-

> "His services may be terminated by the end of March 1950. There is no need for his services after 1.4.1950 in view of taking over of our Railway by the Union Government.
>
> His services are extended up to 7.6.1950. If he is not agreeable to the terminating of his contract by 31.3.1950, Government of India may be requested to utilise his service from the day of integration."

The Chief Minister has ordered that the matter may be considered at a meeting of the Counil.

	53) According to the Council Res^n. of 16.2.50, Sri Nanda is to be granted leave from 6.3.50. The privilege leave at the credit of this officer on 6.3.50 is one month and 13 days less leave utilised, if any. As far as can be made out, he has not utilised any leave during his service. The Ry. Branch may be requested to confirm this. Subject to confirmation on this point, Sri Nanda seems clearly to be entitled to have the period of his absence from 27.6.49 to 26.7.49 treated as leave due to him. He has not drawn any honorarium for this period. He would also be entitled to another 13 days of P.L. earned by him subsequent to 27.6.49.

56/ Sri J. N. Nanda took charge of the Office of the Railway Adviser and ex-officio Secretary to Government, Railway Department, on the 26th January 1948. He was on duty till and inclusive of the 13th March 1948 when he left for Delhi to join the Indian Railway Enquiry Committee. He resumed duty on the 27th November 1948 and continued to be on duty till and inclusive of the 5th March 1950.

57/ During the latter term of his office, he took casual leave on three occasions as noted below:

7 days' casual leave from the 14th May 1949 with permission to utilise the general holidays on the 21st and 22nd in continuation of the leave;

6 days' casual leave from the 3rd October 1949 in continuation of the general holidays on the 29th, 30th September and 1st and 2nd October 1949;

7 days' casual leave from the 20th February 1950.

58/ In addition, he was permitted to be away from duty for one month from the 27th June 1949 to the 26th July 1949. During this period, he has not drawn any emoluments.

59/ As stated by the Chief Auditor, Mysore State Railway, the privilege leave earned by him is 43 days. The Chief Auditor has stated that he was absent from the 28th June 1949 to the 26th July 1949 for 30 days, and the balance of leave at his credit is 13 days. As he was absent without emoluments for 30 days, the Railway Adviser is perhaps entitled for 43 days privilege leave.
